Bristol Community Energy Ltd

Director's Report For the period to 30 April 2013

The Director present their report and accounts for the year to 30 April 2013.

Principal Activities

The cooperative's principal activities are:

- to enable meaningful cuts in carbon emissions, and reduce dependence on unsustainable sources of energy.
- to fund and implement renewable energy and energy efficient measures, in collaboration with people, communities and businesses.
- to work co-operatively with people and communities to make carbon reduction technologies available to all regardless of financial resources, and support mutual action to respond to the challenges of climate change.

Business Review

The society held a successful community share offer to fund the installation of solar panels on community buildings. £127170 was raised from 160 investors, and solar panels were installed on three community buildings.

Working groups were set up for Solar PV, wind, renewable heat and energy efficiency.

Plans for future periods

A second community share offer for solar PV is being developed, and a potential wind project is under planning. It is hoped that a staffed office will be set up in the coming year.

Dividend and transfer to Reserves

The directors paid no interim dividends, and no final dividend will be paid from these accounts.

Directors, who served during the year.

Directors' Report

Continued

STATEMENT OF DIRECTORS RESPONSIBILITIES

The law governing an Industrial & Provident Society requires the directors to prepare financial statements for each financial year which give a true and fair records of the affairs of the society and of the profit or loss of the society for that period. In preparing those financial statements the directors are required to:-

- Select suitable accounting policies and then apply them consistently
- Make judgements and estimates that are responsible and prudent
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the society and to enable them to ensure that the financial statements comply with the Industrial and Provident Societies Act 1965 and Friendly and Industrial and Provident Societies Act 1968. They are also responsible for safeguarding the assets of the society and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

By order of the Board

Andy O'Brien
Secretary

Balance Sheet (continued) As at 30 April 2013

Director's statements

The directors have taken advantage of the exemption available not to have these financial statements audited.

The Directors acknowledge their responsibilities for ensuring that:-

1) The society keeps accounting records which comply with the Industrial and Provident Societies Act 1965 and the Friendly and Industrial and Provident Societies Act 1968

2) the financial statements give a true and fair view of the state of affairs of the society as at its year end and of its profit or loss for the year then ended, and which otherwise comply with the requirements of the relevant Acts relating to financial statements, so far as is applicable to the Society.

Bristol Community Energy Ltd

Notes to the financial statements for the year ended 30 April 2013

1 Accounting policies

The principal accounting policies adopted in the preparation of the accounts are set out below and have remained unchanged throughout the year, and have been consistently applied within the same financial statements.

Accounting convention

The financial statements are prepared under the historical cost convention

Turnover

Turnover represents the amounts receivable for services, and grants.
Grants received are matched against expenditure.

Tangible fixed assets and depreciation

Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Plant & machinery - 4% straight line

Deferred taxation

Where material, deferred taxation is provided on the liability method to take account of timing differences between the treatment of certain items for taxation and accounting purposes. Deferred tax is not discounted.

Cash Flow

The directors have taken advantage of the exemption in Financial Reporting Standard No. 1 from including a cash flow statement in the financial statements on the grounds that the company is small.
