

Solar PV Working Group

AGM Report

Aims

- Monitor and maintain first round of PV roofs
- Build on success of first share offer
 - Do more of the same!
- Extend the range of buildings with Solar PV

Successes

- Lots of energy generated (nearly 72MWh!)
 - And income from FiT
- Active and committed group
- New roof partners engaged for next share offer
 - South Bristol Sports Centre
 - Lawrence Weston Baptist Church
 - Druid Woods flats

Challenges

- Getting regular readings from our installations
 - Will become harder as we have more
 - Investigating options to automate this
- Making generation information available
 - Our website
 - Foyer displays/partner websites
- Engaging with roof partners
 - Long process – some drop out
 - Looking at ways to streamline this
